

Please consider donating in one of the following manners to help those who were affected by the Gas explosions and fires in Andover, Methuen, and Lawrence:

Cash Donations – *to help the Thrift Store offset costs when we give needy families bags of clothing, or for us to purchase personal care items? They ‘Coins for Church’ jar will be in the office during the week, and in church on Sundays.*

Electronics – *do you have any extra chargers you’re not using? Just label what sort of phone they fit, and drop it in one of our donation boxes in the Narthex (entrance of church).*

Baby Items – *Diapers, formula, and baby food are always needed. (Donated items that are not used will be donated to the Billerica Food Pantry.)*

Personal Care Items – *feminine care items, hair care and bath/body items are always needed.*

(New) Underwear and Socks – *While the Thrift Store has a lot of clothing, these two items are not sold, but new ones are always needed. There’s an Underwear/Sock bin outside the office.*

There are three donation bins in the Narthex for your convenience as well.

If you want to help, but need assistance in purchasing items, or dropping them off, please speak with Rev. Lauren or Andrea Jeffrey. We can arrange to pick up donations you may have, or help purchase items for you.

Thank you for your generosity.
