

Dear Parents/Guardians;

Our children are born already in a relationship with God. It is our job to nurture that relationship. Communication is the key to any good relationship. We communicate with God through prayer. For the month of September, Take Home Sunday School will be focusing on Communicating with God.

For your children ages 0-3, the packet includes a baby/toddler friendly book of prayers. These are primarily Thank-you and Petition prayers. Reading and praying with your child helps them to learn how to “pray without ceasing.” Each day or evening can be a different prayer. The book isn’t one that must be read through cover to cover. Instead, pick a prayer and read it sincerely. Please take the time to read a prayer a day with your little one.

For the toddlers that are learning to hold crayons and are working on fine motor skills, there is a simple coloring book and stickers. These activities are meant for fun, not work.

Also including in this month’s packet are the rules and a timer for the Quiet game. This game helps small children with the beginnings of contemplative prayer.

The Quiet Game

Tell everyone when the game is going to start.

Set the timer to the length of time desired. (For very young children, usually 2 minutes is good. For older children, stretch it to 15 minutes.)

Sit in a circle.

Stay quiet.

The one who stays quiet for the longest wins.

Sneezing and coughing are exceptions, but if you laugh, you are out!

Included in the packet were stickers, blank paper, a small coloring book, an egg timer, and the following book:
