

Dear Parents/Guardians;

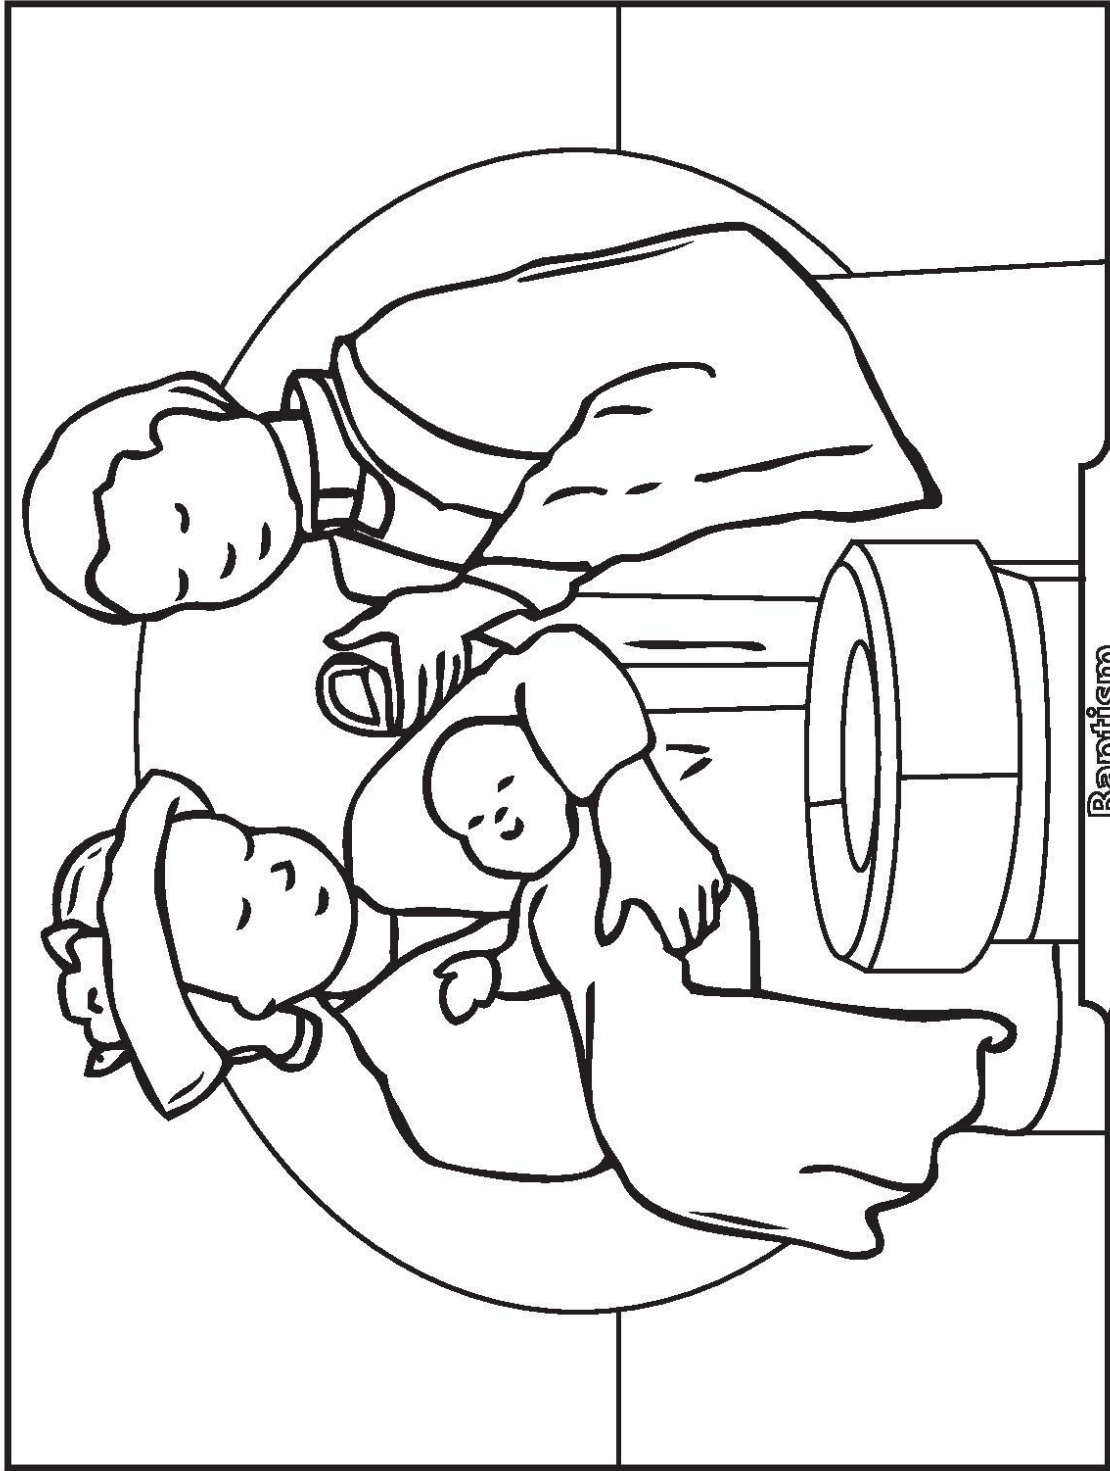

This month we are talking about Baptism. In baptism, we become a part of God's family on earth. In the Episcopal church, most people are baptized as infants, but not all.

For your children ages 0-3, the packet includes a book called At Your Baptism that you can read together, even if your child is not baptized. Together, you can hear about how much Jesus loves us.

There is also a picture of infant being baptized that can be colored.

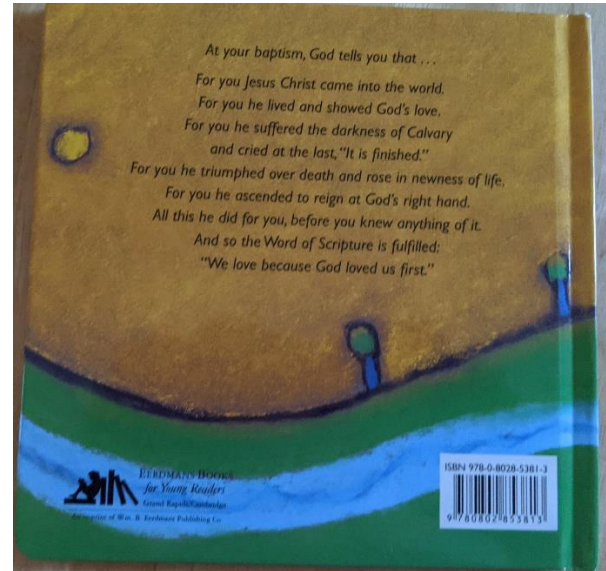

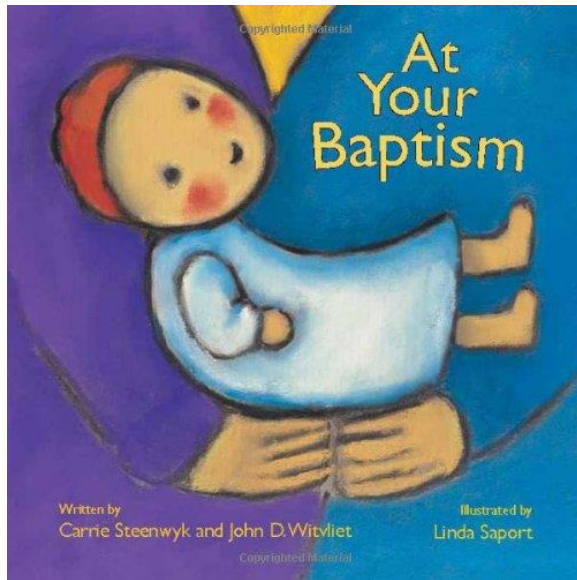

Your sister in Christ,
