

Dear Parent/Guardian,

This month, we will be learning about King Solomon. Please read together pages 194-200 in the beginner's bible.

King Solomon was King David's son. In the story we hear what Solomon does as king.

- I wonder if you have ever been asked for what you want?
- I wonder what your answers were?
- I wonder why God was so pleased with Solomon's answer?
- I wonder how it felt for people from all over the world to come and ask questions?
- I wonder what all you know? How can you learn more?
- I wonder what wise sayings you know?
- I wonder why Solomon built a temple for God?
- I wonder how you might show someone your thankfulness?

Learning can be fun. Knowing the difference between right and wrong can be difficult sometimes. Wisdom is having learning and knowing how to make good decisions. In the packet are some Bible-trivia cards to help with the learning part of wisdom. There is a sheet that can be used to practice making decisions. What are some problems that need solving? Spend some time together discussing! There are also some fun worksheets to help remember King Solomon and what he did.

Next month we will learn about Daniel.

There are on-line lessons at <http://stannes-billerica.org/sunday-school-videos/>. These are lessons from the Catechesis of the Good Shepherd and not about the people of the bible that we are meeting in our take-home series.
